# PLANNER JUNE

## SUMMER SOLSTICE

The sun's entry into Cancer is accompanied by the summer solstice, the longest night of the year in the Northern Hemisphere, which marks a period of introspection for the entire zodiac.

**At the same time, this can be a very fertile time for creativity.** Invest in new occupations and artistic activities to make the most of this period.

### NOTES

### MY PLANNING

### ENJOY THE ENERGIES OF MONTH

Jupiter's entry into Cancer marks the beginning of a new cycle. Review your objectives for the beginning of the year and adapt them if necessary.

### MONTHLY TAROT CARD THE FOOL

Transformation, renewal and new life are calling to you now. Free yourself from the fear of opening up to the new.
